

**Sam's Cellar**  
Bar and Oven

Sam Wolfenbarger was the original proprietor of Sam's Cellar. He opened the bar back in the early 40s to primarily serve the soldiers who were stationed at Neosho's Camp Crowder. Sam originally ran the luncheonette on the main level and the bar in the lower level. Sam is pictured in many of the photos now hanging throughout the cellar, which depict the merriment had by many.
